Reflecting The Spirit of Nature

NATURE - LANDSCAPES - WILDLIFE

### Featured Photograph No. 1

*Oriental Trumpet Lily - Shocking*

Hi Folks ,

*I wanted to bring to everyone's attention that the Blog page on my website contains 2 tables listing every Monthly Newsletter that I've published since January 1, 2012. One table lists 2012 and 2013 Newsletters and the other lists all of 2014 and 2015. Click on the link below this paragraph and you will be sent to my Blog page. Once there, find the appropriate table and merely click on the Newsletter you might like to review. These tables will always be found within the most recent 4 or 5 posts (I keep editing the Posted Date to keep it near the top).*

### **I'm Ready For Spring**

*For a lot of us in the U.S. we've gone through a February that we aren't likely to soon forget. Although December and most of January was reasonably mild, February came in like a lion and stayed. I've never thought of myself as a "weather wimp", but I must admit, I'm ready for spring.*

*So just to get us all in the mood, in case you're not already, I thought I'd feature garden flowers as a reminder, of what lies beneath the snow.*
