Reflecting the Spirit of Nature
NATURE • WILDLIFE • LANDSCAPES

Hi Folks,

Welcome to my 1st Newsletter. You're receiving this because I entered your name and email address. My plan is to periodically email my Newsletter to only persons wanting to receive it. Seldom will you receive an email from me more than once per month.

If you ever don't want to receive future emails from me in the form of a News Letter, you may "opt out" at anytime (see "Unsubscribe" below).

Each newsletter will contain various information such as where I might be photographing and/or which of my photographs may have been recently published. There will also be a "Featured Photograph" in each newsletter that may be purchased at special pricing.

Featured Photograph

[Pfeiffer Beach, Big Sur Coastline, California](#)

Pfeiffer Beach is located approximately 27 miles south of Carmel, California. The turnoff to the beach is not well marked and is a little hard to find if you haven't been there before. While traveling 26 miles south on Highway 1, you'll see the Big Sur maintenance station on your left. Travel another .8 miles and as the road curves left, turn right on Sycamore Canyon Road (unsigned). Travel approximately 2 miles to this spectacular beach.

The Beach is famous for it's large hole (arch) through the rocks which is just to the left of the scene shown above. When I was here, the sunset didn't provide good lighting on the arch. However, I wasn't disappointed; the sunset was stunning.

This photograph is published in the 2012 Winter issue of "Currents", a quarterly publication of the [North American Nature Photographers Association](#).

Each Newsletter will feature a different photograph and may be purchased at special prices as follows (plus shipping of \$8):

$$\underline{8 \times 12 = \$35}$$

$$\underline{12 \times 18 = \$70}$$

This photograph will remain as my "Featured Photograph" until you receive another newsletter featuring a new photograph (approximately 1 month).

*By clicking on either size above, you may securely purchase this "Featured Photograph" through **Paypal** with your credit card or your own **Paypal** account. _*
