Olympic National Park

This month's Featured Photographs are from my recent trip to Olympic National Park, Washington. I'd been there before, but in May was able to concentrate on photographing this vast and beautiful area for a full 14 days. What a place!

Both Featured Photographs are of Second Beach on different days, just one of the National Park's world-class beaches. Other photographs of these incredible beaches have been added to My Website.

Next month I'll feature Olympic's amazing rainforests.
