## Bob Watson Photography

Reflecting the Spirit of Nature  
NATURE • WILDLIFE • LANDSCAPES

*My last Newsletter contained "Featured Photographs" from my recent winter photography trip to Yellowstone National Park ("Yellowstone"). After getting home and spending time reviewing all of my images, it turned out to be what I think was a successful trip. The trip resulted in many photographs that capture winter in Yellowstone. Sometimes you're lucky to come away with just a few from a photography trip. The pounding snow during the first few days of this trip helped make it so successful. Therefore, I decided to feature another couple photographs from "Winter In Yellowstone".*

*You may view more photographs of winter in Yellowstone at the following hyperlink: "[Yellowstone](#)".*

*By the time you receive my next Newsletter, I'll be traveling and photographing the Canadian Rockies on my way to photograph in Alaska.*
